#### Required Forms For K-12 Services - Important! October 18th deadline!

If your child is going to Mt Pleasant Middle School and they have received Tribal K-12 Education services at their prior school, I will need a new form that will allow Ashley, Alysha and myself to provide any services. If they are new to Tribal K-12 Education or attended SCA previously, there are additional forms that need to be submitted. The appropriate forms must be on file to be eligible for services. Look for forms being sent home with your child or call us for info.
