NWEA Winter Assessments

Students have just completed their second round of assessments in Math, Reading and Science. All students have to complete about an hour of assessments in each area three times a year (fall, winter and spring). NWEA gives teachers a much more accurate, immediate, and cumulative assessment of student's progress than M-Step. Not only are results immediate, NWEA offers detailed listing of student's strengths and weaknesses in each subject area.

End of 2nd Trimester is March 6th

Exam Wednesday 4th and 5th hour.
Exam Thursday 1st, 2nd and 3rd hour.
Exam Friday 6th, 7th and 8th hour.
Friday March 6th is a half day of school

Student Incentive Program

A student incentive program is being offered by the Michigan Indian Elders Association (M.I.E.A.) to recognize students who achieve all "A's" for a marking period as well as students who achieve perfect attendance for a marking period.

SOME OF THE REQUIREMENTS:

- The student must be an enrolled member or be a direct descendant of an enrolled member of one of the M.I.E.A. constituent tribes/bands.
- A student must be in grades 4-12 to qualify for the straight "A" award. (A-, A, A+)
- Student must be in grade K-12 in a public/private to qualify for Perfect Attendance. Perfect Attendance means exactly that. A student must be in school or at a school sponsored function each day of the marking period. Excused absences for anything other than a school sponsored/approved function do not constitute perfect attendance.

Please visit www.michiganindianelders.org for complete details and registration forms. Entries must be made by 5:00 PM on March 22, 2020
